The above mentioned game is approved for use in New Jersey as an amusement game, as defined in the Amusement Game Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to operate any amusement game in the State of New Jersey without a valid certification.

This certification is conditioned upon the following:

DESCRIPTION:

Football Toss and Tire Throw is an attendant operated skill game. A player pays the attendant and receives a football to play. The football is thrown at a swinging target, mounted in the center of a tire. The football must strike the target inside the tire, triggering an electronic sensor, in order to win. If successful, the player station will illuminate, bells and music will sound, indicating that a player has won. After winning, the attendant will reset the target(s) via a “kick switch” mounted at the front of the game, and award the winner a prize.

DEFINITIONS:

“Obstruction” means any portion of the stand/structure, any light or other type fixture, any box, bag, prize, fence or other material.

“Playfield” means the area within the stand/structure in which the player is required to play the game.

“Prize Category” means a prize, or group of prizes of comparable value, available to a player upon completion of the task necessary to win a prize in a particular category or available to a player by “trade up. ”

“Prize category designation” means the identifier of one of the six authorized prize categories prescribed by condition 10 of this Certification of Permissibility.

“Professional quality” means that the surface of the sign to be used must be smooth and rigid in nature and not made from paper or corrugated cardboard, unless laminated.

“Round of play” means the sale of a right to participate, the event which determines whether the player wins or loses and the award of the prize.

“Stand/structure” means any stand, structure, booth, tent, trailer or area in which the game is operated.

“Trade up” means trading multiple prizes of a lower prize category for a prize in a higher prize category.
